

2009 Conference Highlights

FEATURED SELLERS

CRI Advantage, Inc. (CRI)

A Boise and Idaho Falls-based information technology (IT) consulting firm, has been awarded the U.S. Department of Energy's 2008 Small Business of the Year award for "creative, unique, and extraordinary performance" in support of the DOE's Idaho National Laboratory's mission objectives and requirements.

McMillen, LLC

A woman owned 8(a) firm based in Boise, Idaho, that provides a unique business organization maintaining engineering, environmental and natural resources, and construction services within one firm. Through strategic hiring, marketing and hard work, they have developed a company with more than 35 employees, earning more than \$5 million annually and executing projects throughout the Pacific Northwest. Recent awards include:

- Boise Metro Chamber of Commerce 2009 Small Business of the Year
- Small Business Administration, 2009 Small Business Person of the Year
- Ranked 1003 Fastest Growing Firm in the Nation in Inc. Magazines top 5000
- Also within that ranking made the 10th Fastest Growing Engineering Firm in the Nation, by Inc. Magazines top 5000

FEATURED BUYERS

Idaho National Laboratory

The U.S. Department of Energy recognized Dana Storms as the 2008 Small Business Program Manager of the Year for her Commitment to partnering small businesses with the Idaho National Laboratory. Her dedication resulted in nearly \$300 million in total awards and \$155 million issued to small businesses this year. INL is one of the DOE's 10 multi-program national laboratories.

Portage

Engineering News Record (ENR) has ranked Portage

- #7 in Top Nuclear Waste Management Firms
- #20 in All-Environmental Firms and
- #66 in overall listing of Top 200 Environmental Firms

AN EXCELLENT ONE-DAY OPPORTUNITY

Meet with purchasing professionals from many of the Northwest's largest corporations and government agencies. Connect with them individually to learn how your products and services match up with their purchasing needs.

An excellent opportunity for manufacturers, contractors, distributors and service providers.

Attend your choice of seminars throughout the day offering techniques and ideas to improve your business.

Seminars include:

- INL – Small Business Vision, Accomplishments and Opportunities
- GSA – How to get on Schedule
- Wide Area Work Flow (WAWF) Reporting
- VIPR (Virtual Incident Procurement), Who, What, When & How
- Introduction to Procurement/SBA Certifications
- CH2M-WG Idaho, LLC (CWI) Subcontracting and Small Business Program

WHO SHOULD ATTEND?

All Idaho businesses looking for new customers and expanded sales. It's a one-day conference that manufacturers, contractors, service providers and distributors will find productive and rewarding.
